Sir,

I received your letter of the 29 Feby. informing me that my petition had not yet been finally determined and that you wanted some further information on the Claims that seem to be on the lot.

As Regards the Claims on the lot it is that Mr. William Densmore first took the whole lot and then let his son Reuben have the E $\frac{1}{2}$ and settled on it W. himself and then sold the W. to Boggy and Boggy sold it to Hughson and then he purchased the E. from his son Reuben which he has sold to me .

If you have anything to write you may possibly have an opportunity by the Bearer of this.
